## TO OUR FRIENDS AND CUSTOMERS

In this Price List you will find listed nursery stock that is hardy and suitable for this climate. After over thirty years experience in the nursery business in Rapid City, we feel that you will not make a mistake in buying stock from us. You will find that it is sturdy, well rooted and you will have little trouble in getting it established. Be sure to get in touch with us for free estimates or advice on what to plant and where, when you are undecided. Free plans are furnished where stock is purchased from us. We also give customers free estimates on landscaping and planting lawns.

Sincerely,  
E. A. GATES

## GUARANTEE

Where stock dies and shows a dried-up condition by July 1st, it will be replaced free in the fall or the following spring. (If it has been given the proper care and attention.) Must be reported before this date or checked by Nurseryman. Any stock reported after July 1st will be replaced at one-half price the first year.

## PLANTING

We do a certain amount of planting for our customers who live in and around Rapid City. Planting charges are 1/3rd above cost of nursery stock, with the exception of evergreens, which will be 20% above cost, and hedge plants at an average cost of 25¢ per running foot of trench. An additional charge is made for top dirt and fertilizer where it is required. Lawn work is figured at 3¢ per sq. ft., including grass seed, fertilizer and the raking necessary for finished lawn. Grading and top soil additional. The cost of top soil runs about 1¢ per sq. ft. for each inch soil added.

## SPECIAL OFFER

Where order amounts to \$10.00 or more, you may deduct 10% from List Price, where cash is paid in full with order. This offer is good until April first.

## DELIVERY

Early orders will be given first consideration on large or select stock, which will be labeled or set aside. Free delivery on early orders, by truck, if within a radius of 100 miles of Rapid City, at the proper time. Where orders have to be shipped, they will go C.O.D., unless cash has been paid in advance and then stock will be prepaid to destination, except on balled and burlapped stock and fertilizer, which will be shipped collect.
